Rayan Djavedani Hadji

SKILLS

- Office 365 : Word, Excel, Powerpoint
- MestRenova, Chemdraw
- SciFinder, Mercury

LANGUAGES

- French : native
- English : level C2
- Persian : native
- Turkish : level C1

QUALITIES

- Autonomy
- Collaboration
- Versatility

HOBBIES

- Photography : urban landscapes
- Travel : Canada, Germany, Turkey, Iran, United States, Italy...
- Movies, TV shows : science fiction

EDUCATION

Master's Degree in Chemistry, Biology, and Drug Design Depuis 2023
Faculty of Chemistry, University of Strasbourg

- *Organic synthesis, structural biology, biochemistry, pharmacology*
- *Biology*

Bachelor's Degree in Chemistry 2019 - 2023
Department of Sciences, University of Versailles Saint-Quentin-en-Yvelines

- *Introduction to laboratory practices, chemical synthesis, coordination chemistry, fundamentals of molecular biology*

First year of medical school 2018 - 2019
Faculty of medicine, University of Paris-Descartes

High school 2015 - 2018
Kavoosh High school, Mashhad, Iran

PROFESSIONAL EXPERIENCE

Research laboratory intern March - June 2024
Organometallique Synthesis et Catalysis, Strasbourg
David Sémeril's team : dsemeril@unistra.fr

- *Multi-step organic and organometallic synthesis and purification*
- *Use of technical measuring equipment, working inert conditions*
- *Implementation of protocols*
- *RMN, IR, HPLC, GC-MS, Fluorimetry*
- *Stock management*

Manager and Bartender Jan 2017 - Aug 2023
Domenico, Paris

- *Restaurant setup, customer reception, interpersonal skills, service, ordering, account management*
